

ferrolatgocce

Suggested use

Dietary supplement of Iron, Lactoferrin, Zinc and B vitamins.

Thanks to the presence of Iron, Lactoferrin, zinc and vitamins B, is useful in the case of increased requirements or reduced dietary intake of these nutrients. In particular Vit. B6, Vit. B12 and zinc contribute to the normal function of the immune system.

Recommended dose

Children (over 3 years): 3 drops, 1 to 3 times a day with a teaspoon of water;
adults: 30 drops once per day with a teaspoon of water.

Ingredients

Water; Fructose from grapes; Iron microencapsulated SunActive® (iron pyrophosphate, Emulsifiers: Polyglycerol esters of fatty fat, soy lecithin; sodium chloride, maltodextrin); lactoferrin; Vit. B2: Riboflavin; Zinc gluconate; Vit. B6: pyridoxine hydrochloride; preservative: potassium sorbate; acidity regulator: Citric acid; Aroma; Vit. B12 Cyanocobalamin.

SUGAR FREE, GLUTEN FREE.

Package

30 ml drops.

Expiry date

36 months.

Preservation

Store in a cool, dry place, away from light and away from heat sources.

Warnings

Keep out of reach of children under three years of age. Do not exceed the recommended daily dose. Dietary supplements are not intended as substitutes of a varied, balanced diet and a healthy lifestyle.

Interactions

The derivatives of iron can reduce the absorption of tetracycline, so administer 2 hours before or 3 hours after taking any formulation based on iron.

Side effects

Hypersensitivity to one or more ingredients. Iron and ascorbic acid in high doses may cause gastric distress.

Pregnancy/Breastfeeding

It is recommended for use under the direct supervision of a doctor.
